

BIOPTRON

Light Therapy Systems

The Biopton System uses an aspect of light that is similar to part of the spectrum produced by the sun (without UV) and so uses natural processes as part of healing.

Biopton Light Therapy acts in a natural way by supporting the regenerative capacity of the body and therefore helps the body to release its own healing potential.

Biopton Therapy is an ideal treatment method to a variety of disorders such as: ALLERGIES, ACNE, ECZEMA, FINE LINES AND WRINKLES, SCARS, BURNS, CELLULITE, CAPILLARIES, INFECTIONS, ULCERS, PRESSURE SORES.

And it is an ideal treatment method to a variety of pain management and standard wound care programs (including chronic conditions).

Biopton Therapy may offer enormous relief for ARTHRITIS sufferers as well as sporty people with MUSCLE STRAIN and TENSIONS as it is ideal for pain relief.

**Biopton Light Therapy is totally safe and can be used everyday.
(free of any UV. Radiation)**

Regular use will strengthen the immune system and promote an overall sense of well being.

Biopton is medically recognized throughout Europe as well as TGA listed in Australia .

Biopton Light Therapy used in conjunction with AROMATHERAPY increases the benefits of the treatment and unlocks the healing potential of the body.
